EIGHTEENTH JUDICIAL CIRCUIT

SPEAKERS BUREAU

Email: speakers@flicourts18.org

J. PRESTON SILVERNAIL
CHIEF JUDGE

As a community leader, educator, or concerned citizen, you may have questions about Florida's court system.

The Judicial Speakers Bureau was designed to educate citizens about the critical roles played by judges and the courts in everyday life. Through the Bureau, judges and other court personnel are available to speak to your group or organization on a variety of topics.

The Eighteenth Judicial Circuit encompasses many specialized courts, such as the probate courts, family or juvenile courts, traffic courts, criminal courts, drug courts and many others. Although contrary to public perception, conducting trials is not the sole function of the judiciary. The judicial system affects society in many meaningful ways.

Please take a few moments and look over this brochure; it addresses many questions you may have about what the Speakers Bureau has to offer. If you have additional questions, or would like to request a speaker, contact our public information office at (321) 637-5355.

We look forward to hearing from you.

J. Preston Silvernail

EIGHTEENTH JUDICIAL CIRCUIT SPEAKERS BUREAU

The Eighteenth Judicial Circuit has created a Speakers Bureau to help the judges of the circuit share their areas of expertise with you. The wide range of topics, which our speakers are available to address, reflects the diversity of the Eighteenth Judicial Circuit's Judiciary.

The Bureau will help you find a speaker who meets the needs and expectations of your audience. Judges are bound by the Code of Judicial Conduct, and therefore, are unable to address certain matters, such as pending cases.

Judicial ethics prevent our speakers from addressing some special interest groups. However, judges are able to speak to most civic groups, professional associations, government agencies, churches, and schools.

The Eighteenth Judicial Circuit's Speakers Bureau looks forward to working with you to enhance public understanding of the Court's role in a free society.
